

Join the Washington State Delegation for JEC 2025!

[JEC World](#) is the leading international trade event for composite value chain suppliers, integrators and users. At the show, you'll connect with raw material suppliers, composite parts manufacturers, testing equipment and service providers, fibers and resins suppliers, integrators, end-users and more. Don't miss this opportunity to promote your business and connect with decision-makers, researchers and innovators.

Why you should join us?

As a co-exhibitor or delegate, you can:

- Save time (we will coordinate with the event organizer for booth layouts and furniture).
- Save money (sharing booth space is economical and has other perks).
- Elevate your presence with the Department of Commerce's strategic location in the US Pavilion.
- Attend meetings and conferences worry-free, never missing any leads. The exhibit is staffed by Commerce representatives who can represent you while you're working the show.
- Make connections with your fellow Washington exhibitors.
- Take advantage of international marketing consultations and B2B meeting opportunities with the US Commercial Service.
- Leverage the Washington State Department of Commerce's international outreach efforts.
- Apply for a [STEP Export Voucher](#) to offset the cost of attendance!
